#### VITRO'S PROMISE OF EXCELLENCE

Vitro S.A. de C.V. was founded in 1909 to serve the glass container market in northern Mexico. Today, Vitro serves the North American market with over 100 years of experience in the glass industry and six plants throughout Mexico. As a subsidiary of Vitro S.A. de C.V., Vitro Packaging, LLC serves the US and Canadian markets by providing a full range of value added glass packaging products to the North American wine, spirits, beverage, beer, pharmaceutical and chemical, food and cosmetic industries. Our Primary Goal is to provide our clients with the highest level of service and quality while meeting their complete glass packaging needs.

Today we do this through VitroSolutions®, a value-added systematic approach to provide our clients with a complete package solution; including market analysis assistance, comprehensive design services, decoration development, and reliable, consistent processes. Our product and services are manufactured and generated in a process controlled setting, adhering to the highest standards and delivery within time lines demanded in today's competitive marketplace.
